Portfolio: Rg2design.org

Education

ArtCenter College of Design, 2022 - present

Hanvos Kent School, Ningbo, China 2019 -2022

Experience

Bo Design

Industrial Design Intern

Feb 2025 - Apr 2025 / Zhejiang, China

Participated in wheelchair design projects: carbon fiber racing wheelchair & lightweight carbon fiber wheelchair for seniors. Contributed to concept development, CAD modeling, and ergonomic research.

ArtCenter College of Design

3D-Modeling 1 Teaching Assistant

Sept 2024 - Dec 2024 / Pasadena, CA

Assisted students with SolidWorks and KeyShot, providing technical support, software demos, and feedback on 3D modeling and rendering.

Interests

I enjoy playing the violin, painting, watching movies, and hiking, both for the love of creating art and for the enjoyment of exploring nature.
